LPT News

The LPT is here to help the students, the parents, the teachers, and the school through projects that directly benefit the student learning experience. We are excited to be a part of the Academy and hope that with your support we can make this year another amazing year at the Academy.

In order to abide with our By-Laws the LPT has gone through some changes. As with any change there will be a few hiccups that we are sure to over-come with your help and support. As always we are here for our students and to support our school in any way possible. On way is by working towards our goal for our project this year. This year we are attempting to provide new white-boards for all of our classrooms! By supporting events like our Turkey Shoots, Dances, and Peanut sales you are helping us reach that goal.

Upcoming Events

- Grandparents Day Luncheon – October 31, 2016
- LPT General Membership Meeting - November 1, 2016, 6:00 p.m.
- Halloween Dance – November 5, 2016 6-10:00 p.m.
- Turkey Shoots – November 11th and 18th – Shooting begins at 7 p.m.
- Santa's Christmas Shop (details coming soon)

Dear Parents

Looking for ways to become more involved with our school? The LPT has committees that need your help.

We are so happy to have Gail Wilson and Alison King heading up our Christmas shop this year. As always this is a big undertaking and we are looking for helpers.

The LPT is still collecting Box Tops and Soup Labels! We are so happy to have Jesse Roberts heading this up again this year. By doing this the school earns prizes and money that can be used towards new books and classroom materials.

More information on all of our events and committees will be available at the General Membership meeting on November 1st. We look forward to hearing your ideas, questions and concerns, and appreciate any and all help you are will to give. Our contact information is provided on the school website: ameliaacademy.com under the Parents & Students tab.

Inflatables Available

The LPT has purchased two inflatables for the Academy. We have a bouncy castle and a slide available for events.

Academy families and alumni wishing to rent these for parties can do so by contacting any member of the LPT for more details.

The Academy along with any club/class wishing to use them for an event at the Academy can do so at no cost.

National School Bus Safety Week - October 17th - 21st

Amelia Academy Drivers:

Teri Flippin
Gurney Altice
Stephanie Borum
Bill Childress
Patsy Hughes
Carol Chambers

To Our Drivers,

Thank you school bus drivers
That go the extra mile
Driving safe and caring with
"Good Mornings" Treats and Extra smiles

Seating charts and mirror checks
Safely driving kids to school
Bus drivers kind and thoughtful
Gets points for being extra cool

Sometimes they play the radio
Sometimes seat choice is free
The role of bus driver is not simple
This I can easily see

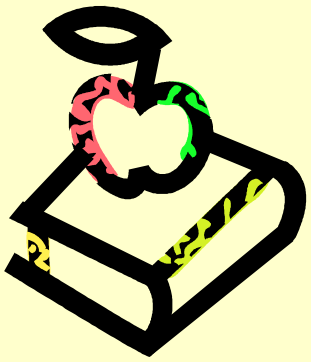
Imagine seventy plus kids
Fog, freezing rain, or snow
They keep our kiddos safe each day
And befriend them as they grow
From tiny tots with GIANT backpacks
To teens refusing coats

So thanks again Bus Drivers
For the many things you do
You are appreciated
For your services so true

Making a Difference October 22, 2016

Make A Difference Day is one of the largest annual single-days of service nationwide. Volunteers from around the nation come together with a common mission: to improve the lives of others. Make A Difference Day has evolved from an idea for a national day of service on February 29, 1992, a Leap Year. It has transformed into the current national event held annually on the fourth Saturday every October. Make A Difference Day shows that anyone, no matter of age or background, can make an impact on their community. Thousands of projects take place every October. Some large, many small. But each effort makes an important difference to our communities. How will you make a difference this year?

PSAT and SAT Tips



Tips for a Stress-Free Test Day

1. The night before the test, gather everything you need:
2. Get a good night's sleep.
3. Eat breakfast.
4. The night before and the morning of the exam, don't talk to friends about the test.
5. Stretch out your muscles if you feel tense.

"The price of success is hard work, dedication to the job at hand, and the determination that whether we win or lose, we have applied the best of ourselves to the task at hand"
