

Community Service Record Form

All students in Grades 9 through 12 at Amelia Academy are required to complete at least (10) hours of community service each year. We define community service as unpaid voluntary activities. Community Service activities are those which students perform to benefit at least one unrelated person and for which they receive no compensation. Students should be working under the supervision of a specific organization. These organizations are to be non-profit, such as, hospital, nursing home, school, town government, church, etc. Prior approval is not required but is strongly suggested to ensure that the community service project will earn the student credit. Our Community Service Program is designed to promote responsibility. Students will be responsible for participating and submitting the completed community service form.

The primary purpose of the program is to encourage students to become aware of the needs and interests of others and to learn to be good servants. 1 Peter 4:10 reminds us that each of us should use whatever gifts we have received to serve others, as faithful stewards to God's grace in its various forms. In honoring those words, we seek to encourage and inspire student to pursue the use of their gifts and talents to bless and serve others through our Community Service Program.

Students: Each unique community service project requires a separate form to be submitted. You are responsible for turning in the completed form to Mrs. Angela Anderson, Director of Student Affairs.

Parents: You remain responsible for the liability and well-being of your child/children while they perform community service hours outside of school hours.

Student's Name: _____

Homeroom Teacher: _____ Today's Date: _____ Grade: _____

Organization/person for whom you performed this community service: _____

Location of service: _____

Hours served: _____ Date/Dates of Service _____

Type of Service performed: _____
